Will you oblige by sending one packet of Dr. Clare's Corn Silk, as it is the only corn plaster I have used which has given me relief.—Yours truly, —.

INDIGESTION, DYSPEPSIA, PALPITATION, Flatulence, Heartburn, Acidity.

The symptoms of the above troublesome complaints are so well known that it is unnecessary to give a description of them here.

Diet is the first consideration, and should be carefully regulated. Pork, veal, soups, stews, pastry, raw fruits, &c., should be studiously avoided, also hot drinks and too much vegetables. Alcoholic liquors of all kinds, coffee and strong tea must be avoided. Smoking is also very detrimental to the digestive organs, and ought to be curtailed. One teaspoonful of

Hedges' Blood Elixir, taken in conjunction with the Ointment, works wonders.

NUMEROUS TESTIMONIALS.

In Pots, 1/1½, 2/9, 4/6.

SKIN DISEASES

of all kinds indicate an impure state of the blood. The blood is the very essence of life, and conveys to all parts of the body the necessary nutriment; but along with this is also carried an ever increasing accumulation of waste material, which finds an outlet in the Kidneys, Liver, Skin, &c. When this increase passes a certain point the blood gets out of order, quickly shown by blotches, pimples, boils, &c., on the skin, and, if allowed to continue, Scrofula, Eczema, Erysipelas, Sore Eyes, &c. The cure is

HEDGES'

BLOOD ELIXIR.

It kills the germs of disease, eliminates all the gross matter, and quickens the sluggish currents.

Full directions as to dose, diet, &c., with each bottle.

Sold in 1/1½, 2/9, 4/6 and 11/- Bottles.

"VIGOR-TONIC" is perfectly harmless.

FEMALE COMPLAINTS.

It is impossible, for obvious reasons, to enter fully into these complaints in this booklet, but a few hints will not be out of place. Plenty of outdoor exercise is essential, and the feet must be warmly clad, vinegar and acid drinks avoided. The diet must be good, but plain. Two of

HEDGES' FEMALE PILLS,

taken two or three times a week between—but not during—the critical periods, bring about a most beneficial and pleasing result.

Sold in Boxes, 7½d., 1/1½ & 2/9

INFLUENZA.

This complaint is very prevalent at certain seasons of the year, and can be arrested and cured by timely recourse to the renowned

Dr. JUNKER'S

Influenza Cure,

which readily checks any feverish symptoms, one bottle usually curing the most severe attack. It is a most useful preventive for all kinds of colds.

In Bottles 1/- each.

**"VIGOR-TONIC" for the after effects of
Influenza.**

8 "VICOR-TONIC" Nourishes and Braces
the System.

Neglected Colds

may cost a life, and ought to be attended to at once. The symptoms are general feverishness, but, in addition, usually accompanied with hoarseness, sore throat, sneezing, shortness of breath, with or without a cough. Ordinary Cold Mixtures are not sufficient to cure; something which fortifies the system, and more especially the lungs, is required.

COD LIVER

OIL CREAM

with HYPOPHOSPHITES

is the best remedy. The oil is entirely disguised, and the cream can be taken by the most delicate person.

Itching of the scalp is a most common and annoying complaint, from which old and young suffer. One of the most successful remedies known is the

HEDGES'

SHAMPOO POWDERS,

are also beneficial, and give lustre to the most dull hair.

WHY LOOK OLD?

Grey Hairs are never looked forward to with any degree of pleasure. Most people like to look as young as possible, but object to resort to the use of dyes. This is unnecessary when the hair can be restored to its natural colour by using the famous

DUVAL'S

Hair Restorer

It invigorates and strengthens the roots of the hair, renders it soft and glossy, arrests the fall, imparts fresh and healthy vigour. It is at once agreeable, effective, entirely harmless and delicately perfumed.

IT IS NOT A DYE.
